Please attach a copy of your resume or detail your work history to demonstrate that you have been working in the Agri Food Industry in Australia for at least the last eight years and within food safety management for at least three years.

Please explain your achievements for the company in food safety management. For example, development of a HACCP based quality system; evidence of internal commitment to staff training, overseeing the company's progress to HACCP based certification, team leadership qualities, external training credentials etc.

Please attach a letter of 500 words or less from the nominating company (not the candidate) outlining why the nominee has been chosen for candidacy.

Optional . attach any additional material to support your application. E.g. newspaper clippings, certificates of qualifications, awards, photos.
