## 2010 HACCP Award Nomination Form

*The following documentation needs to be attached:*

Please attach a copy of your resume or detail your work history to demonstrate that you have been working in the Agri Food Industry and auditing in Australia.

Please attach your current registration as a full food safety auditor with RABQSA, IRCA, SQFI, and/or BRC for no less than 3 years.

Please detail the current accreditation status of the Certification Body for food safety management system certification (ISO 22000:2005) or food product certification (BRC and/or SQF).

Please attach a copy of your audit log, demonstrating that you have conducted at least 20 HACCP food safety management system audits in Australia in the past three years.

Please attach two referee reports (250 words/referee) from clients that you have audited in the past 12 months, either as a solo auditor or as part of an audit team. An additional three clients will be contacted independently to verify your suitability and candidacy.

Please attach a signed declaration of the auditor's employment status from the Certification Body.

Optional . attach any additional material to support your application. E.g. additional auditing qualifications such as Coles Auditor, Food Safety Victoria Auditing etc.
